

DECLARATION OF PERFORMANCE N. CPR-IT1/0152

- 1) Unique identification code of the product-type: **MAPEFER**
- 2) Intended uses: **Two-component corrosion protection product for repair and protection of concrete in buildings and civil engineering works**
- 3) Manufacturer: **MAPEI S.p.A. – Via Cafiero, 22 – 20158 Milan – Italy - www.mapei.it**
- 4) Systems of AVCP: **System 2+**
- 5) Harmonized standards: **EN 1504-7:2006**

Notified bodies: **the notified body ICMQ SpA, N. 1305, performed the initial inspection of the manufacturing plant and of factory production control and the continuous surveillance, assessment and evaluation of factory production control and issued the certificate of conformity of the factory production control.**

- 6) Performances declared:

Essential characteristics	Performances
Pull out strength of coated steel in concrete (bond adhesion of coating to steel and alkali resistance):	Pass
Diffusion resistance:	Pass
Corrosion protection and workability:	Pass
Durability:	Pass
Release of dangerous substances:	NPD

- 7) REACH information: the information referred to Article 31 or, as appropriate, to Article 33 of the REACH Regulation (EC) no. 1907/2006 and following amendments are indicated in the safety data sheet that MAPEI makes available on the website along with this current Declaration of Performance.

The performance of the product identified above is in conformity with the set of declared performances.

This declaration of performance is issued, in accordance with Regulation (EU) no. 305/2011, under the sole responsibility of the manufacturer identified above.

Signed for and on behalf of the manufacturer by: **Lorenzo Martino – Corporate Quality Management**

Milan 05/02/2020

..... 

DoP in Pdf format are available in the Mapei website.

<i>Revision 1 notes:</i>	<i>Product unchanged. Essential characteristics renamed according to table ZA.1</i>

Durability:	Pass										
Release of dangerous substances:	NPD										

Note:

MAPEI supplies the current annex along with the DoP to make the consultancy of the CE marking easier for the international clients. The enclosed CE marking can be slightly different compared to the one printed on the relevant packaging or documentation because of:

- graphic adaptations due to lack of space on the packaging or printing methods used,
- different language (the same packaging can be shared by several countries),
- the product is already in stock when the updating of the CE marking is implemented,
- printing mistakes.
